Self-Assessment and Reflection

All good learning incorporates the opportunity for students to self-assess and reflect on their work. The practice of self-assessment can lead to personal growth, more effective goal setting and stronger problem solving. It also provides a quick snapshot as a formative assessment for the teacher.

Use the following self-assessments after playing GeoPlunge or other school activities.

What did I learn today?
What strategy worked?
"Headline news" from class

Name:

Today's Activity Tweet

#

Use the hashtag to describe the activity or a memorable moment.
